

May 17th, 2025

organized by
Rotary Clubs

worldwide

for our
communities

Growing fast... from 2 states to 7 countries in just 3 years!

7 COUNTRIES

10 STATES

90% of Clubs
in Central
Colorado

Imagine what 1.2 million Rotarians in 36,000 Clubs will achieve!
A grassroots effort... lead by participating clubs.

ENERGIZE

Clubs do any project their community needs. Work with other clubs. Invite family and the public. Serve. Enjoy the endorphins. HAVE FUN!

BUILD

EPIC PR helps the public volunteer online. Some may want to join Rotary. "All hands on deck" can re-engage underactive members.

FUND

One Club raised \$100,000. It's optional but so easy... see other side. Clubs use all they raise to help fund even more service year-round.

FUNDRAISING IS EASY!

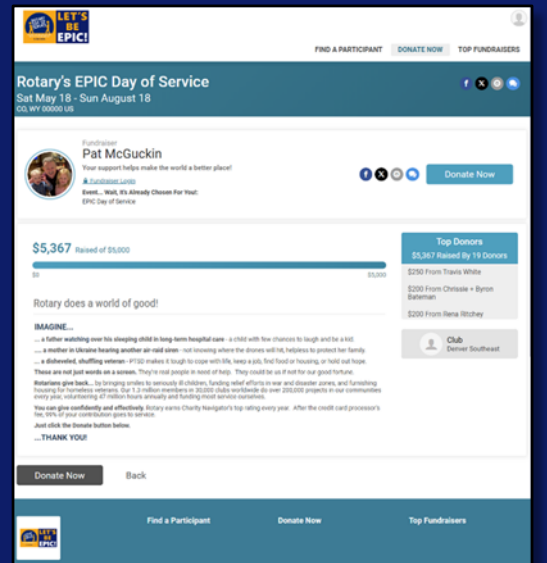

Rotarians get access to 2 simple tools:

1. A FUNDRAISING PAGE

Automatically set up for you, where friends and family can donate online.

2. AN EMAIL TO SEND

Already written for you and ready to go, including the link to your fundraising page.

YOUR EMAIL TO SEND

Rotarians... if you've ever donated to a friend's cause, it's time to get a return on that generosity.

When you sign up, you receive the contents for an email like this. Just copy, paste and click Send.

Easiest fundraiser ever!

Subject: **Please Support Me in Rotary's EPIC Day of Service with Rotary Clubs**

Dear Friends and Family,

This appeal is a bit different. Usually when friends ask for support, they show their passion for the cause by tackling a personal challenge like a cancer walk. Instead, I'm joining in a group challenge to do an immense amount of good all over the world. Thousands of Rotary Clubs are organizing service projects for our communities on **MAY 17th**. We're asking for donations, not for the EPIC Day, but to expand funding for all the other projects we do year-round.

Why be different?

- **Service is what Rotary does.** The event fits, and communities benefit on that day and beyond.
- **Worldwide.** Our EPIC challenge is to expand to all **1.2 Million Rotarians in 36,000 Clubs.**

What's my project? I'll join 100 members of my Club at [Project CURE](#). They divert old medical equipment and supplies destined for landfills and give them a second life – and save lives – by delivering them to impoverished and war-torn regions of the world. We'll be unloading large wooden crates and harvesting the usable items, then sorting and boxing them to ship in big containers. It will feel good to help fellow humans in need.

Donating is easy at epicdayofservice.org/US/CO/DenverSoutheastRotary/PatMcGuckin.

Your support means a lot to me, and even more to the people whose lives you'll touch.

THANK YOU! Pat
